Mr. Grady Brown III
[REDACTED]

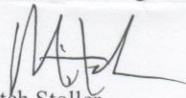

Dear Mr. Brown,

On behalf of the members and staff of the American Association for Cancer Research (AACR), it is my pleasure to thank you for your continued support of this organization. The American Association for Cancer Research Foundation received your contribution of \$100, as a portion of the proceeds from your charitable work at FTLL/M712 For The Love of Laila, on November 1, 2016. We are grateful that you share our commitment to support the work of dedicated cancer researchers around the world.

Contributions like yours make it possible for the AACR to continue its important cancer research programs and initiatives that foster the exchange of new knowledge among scientists dedicated to cancer research, provide training opportunities for the next generation of cancer researchers, and broaden public understanding of cancer.

Your gift helps the AACR continue to advance the science that saves lives today and in the future. We are Finding Cures Together!

With warmest regards,

Mitch Stoller
Executive Director
